

The Path of Life Assessment™ by MyCoach.Life

Find out how smooth your Path of Life is by completing this personal assessment exercise. Answer the statements in each category with how closely it pertains to your life right now. 1 = not all like me now. 10 = describes me exactly. Add the total for each category, and then divide by 10 to get your result. Fill in the appropriate box to see if your path of life is smooth or full of curves.

Be completely honest, this assessment is only for you. It is designed to show you areas that may need some work, but it starts with personal honesty.
